Join us in Berlin — a vibrant city with a strong scientific community.

Partner with the International Society for Computational Biology (ISCB) and the European Conference on Computational Biology at the 21st Annual International Conference on Intelligent Systems for Molecular Biology (ISMB) and the 12th European Conference on Computational Biology (ECCB).

Over 45 Countries Represented
ISMB/ECCB 2013 convenes the world’s leading experts in computational biology and bioinformatics.

The combined focus on “intelligent systems” and actual biological data makes ISMB/ECCB a highly relevant meeting. Attendees are able to return to their labs to apply what they have learned as they advance their own research efforts or begin investigating new areas they were exposed to as a result of attending ISMB/ECCB.

Help advance the fields of computational biology and bioinformatics.

Maximize your corporate brand recognition and customer contact.

International thought leaders will explore topics such as:
• Applied Bioinformatics
• Bioimaging & Data Visualization
• Disease Models & Epidemiology
• Gene Regulation & Transcriptomics
• Mass Spectrometry & Proteomics
• Protein Interactions & Molecular Networks
• RNA Bioinformatics
• Sequence Analysis
