Alcohol at trade fairs

Mässrestauranger AB is fully licensed for the trade fairs' restaurants, lobbies and congress premises. This means that you as an exhibitor have to use Mässrestauranger when you would like to serve beer, wine or liquor in your showcase. This is both practical and convenient, as we are already at the fair and can keep your drinks well chilled. We deliver straight to your showcase and we have a range of glasses to choose from. If you run out of drinks, it is easy to order more for a quick delivery. According to the Swedish law it's not permitted to serve alcohol before 11.00 am, nor is it allowed to serve alcohol to persons that are under 18 years old.

Party in your stand

When you serve alcohol after the opening hour of the fair/event you need to order staff from the caterer. The price for staff is SEK 360:-/hour excl VAT.
